**MEMBERSHIP**

**APPLICATION**

**The Bear Valley Tennis Club is now accepting Memberships. For only \$850 become a BVTC Member.**

Four USTA standard courts have been constructed this year near the "old courts" across Highway 4 from the village, under an extendable 20 year lease from the Alpine County Unified School District.

Why buy a Membership now?

- *This is a one-time membership fee.*
- *Annual dues are \$150 per year.*
- *Memberships can be re-sold.*

Other reasons to join and support this important project:

*A membership covers an entire family including children up to the age of 18.*

*Bear Valley Tennis Club members will be able to reserve courts for themselves and guests in advance. Courts will be locked and only members and Bear Valley School will have access to keys.*

*Non-members will have to pay an hourly fee and will not be able to make reservations in advance.*

*There will be a limited number of memberships (open first to donors and original dues payers) and once these are sold, anyone wishing to join will have to wait until one becomes available.*

*The value of a membership should increase over time. It is a one-time payment to secure indefinitely your family tennis.*

*Membership will afford new opportunities to get to know and spend time with other residents who, like yourselves, love tennis, Bear Valley and being out-of-doors in this beautiful high country.*

*Families with children enrolled at Bear Valley School will be able to use the courts free of charge.*
